Red Cross Secretary's Report

The Center Harbor Red Cross has been active during the past year and as in former years we have sponsored the water safety program. The money for this purpose is raised by your vote at Town Meeting, and we feel that this is a very worth while project.

We were unable to have Annalee Bean as our instructor and Janet Zielin from Boston was the instructor.

We hope to have some sort of shelter at the beach before the swimming classes are started as a great many of the mothers like to watch the progress of their children.

The hospital bed, crutches and wheel chairs have been in use a great many times during the past year. Anyone needing this equipment may contact either Mrs. Amy Brown or Mrs. Carrie Kelley.

We were saddened by the loss of our Chairman, Mr. John Jewett. Our deepest sympathy is extended to his wife, Mrs. Marian Jewett.

Forest Fire Warden's Report

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note. 58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.
10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fire would radically change this picture.

The rules are simple—

1. Before burning, secure a permit from your local fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.
5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

Clinic Report of Public Health Nurse

This is a report of the two evening "Walk-in Polio Clinics" conducted by the State Health Department and sponsored by the Local Women's Club of Center Harbor. These clinics were very well attended and I wish to credit the success to the sponsoring group and Mrs. Amy Brown, who worked hard to see that people took advantage of obtaining protection from this disease.

The following information may be of interest to print in your Town Report.

According to the present figures, the children and adults of Center Harbor are well protected against polio.

The third clinic will be conducted during the next few months for those needing their third or fourth injections.

Anyone wishing to contact me regarding a nursing health problem may do so by calling me any morning Monday through Friday 8:30 - 9:30 or 4:00 - 5:00 in the afternoon. Due to the size of my territory, I'm not able to make as frequent visits to Center Harbor as I would like to.

Civil Defense Unit

During the year we have not been too active but we hope everyone who has been assigned a job, knows it well in case the Civil Defense Unit is called for any emergency.

On January 20th, Dr. Conrad gave us a 4th First-aid Lecture. Many interested folks met at the firehouse for this lecture as the last of a series.

The radio is in the process of being installed at Dr. Hale's residence. This should give the West Center Harbor area closer contact with the village in case of fires etc.

A Civil Defense Alert Test was held April 17 and a Telephone Communication Test on December 7. This Communication Test is to check on the length of time it takes to notify each town of an enemy attack or of radioactive fall-out. During these tests, I have found we are notified by our Forestry Band Radios (located at the Firehouse and Dr Hale's) 5-7 minutes sooner than by telephone.

In the 1958 Town Report, there is a more complete report and active members are listed, therefore I will not use the space to repeat. Clarence "Jim" Hawkins has been appointed Warden to fill the vacancy caused by the death of John Jewett. We will miss the interest John had in our unit.

Any suggestions and questions are welcome to help improve our C. D. Organization.

Respectfully submitted,

Amy L. Brown

C. D. Director
